Feature highlights

Driver backrest and short-reach handlebar

Lean back, relax and enjoy the ride with the combination of the comfort seat, the short reach handlebar and the adjustable driver backrest that allow a more relaxed cruising position.

10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

Top case

The waterproof top case offers 15 gal (60 L) of storage capacity, perfect for leaving nothing behind on a long-distance ride. Enough space for 2 large full-face helmets.

Self-leveling air suspension

Rear air suspension automatically adjusts to passenger and cargo weight to ensure comfort is never compromised.

Backup camera

Improve user visibility when the vehicle is in reverse. Easy to use, the camera automatically appears on your screen when you put the vehicle in reverse.

LED fog lights

Increase your visibility and your presence on the road with these premium LED fog lights. They let you ride in confidence even when visibility is reduced.
