Feature highlights

10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

Touring floorboards

With the 23 in. (58.4 cm) touring floorboards, riders can now sit however they are most comfortable and change leg positions on long rides while enjoying easy access to the brakes.

Front signature lights

The front signature LED light provides a head turning look and makes your vehicle stand out when it gets darker.

Top case

The waterproof top case offers 15 gal (60 L) of storage capacity, perfect for leaving nothing behind on a long-distance ride. Enough space for 2 large full-face helmets.

Adjustable electric windshield

The adjustable electric windshield with memory function provides superior wind protection, with the memory function automatically returning the windshield to the lowest or previous height.

Self-leveling air suspension

Rear air suspension automatically adjusts to passenger and cargo weight to ensure comfort is never compromised.
